Breathtaking is the word for a first visit to Narooma. Narooma is not a sight you ever grow tired of with Montague Island sitting offshore and Gulaga (Mount Dromedary) dominating in the background against the colours of Wagonga Inlet - a multitude of blues.

Day 1: (LD) HOME TO NAROOMA: Tuesday 05 February 2019

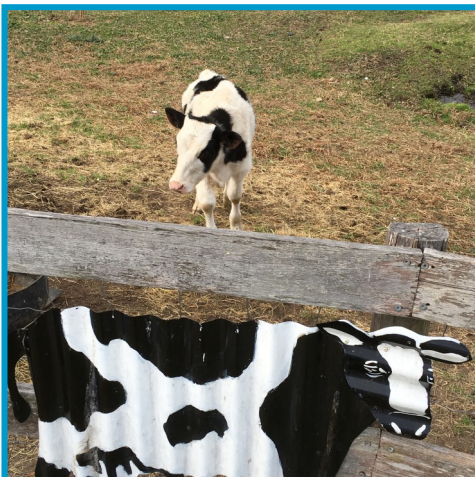

Our tour will be spending a few days based in the town of Narooma. Her clear, blue waters and the vibrant aqua colours of the Wagonga Inlet are set against the spectacular backdrop of Gulalga Mountain. It is a beautiful spot in which to spend some time relaxing and exploring. We travel via Cooma and Nimmitabel, making a morning stop en route. Arriving into Cobargo, we pay a visit to a unique open garden farm. Cobargo Farm sits on the outskirts of the historical village and has been a work of progress from barren land to the richly scented garden it is today. Roses are abundant around the property amidst many other varieties of flora as well as fauna. We'll be dining on the fresh produce for lunch before discovering the farm, the animals and the enchanting gardens. Narooma is a short drive away to settle in and unpack for the next 3 nights.

Day 2: (BLD) LOCAL SIGHTS: Wednesday 06 February 2019

Introduced to Narooma today by a local expert, we'll see for ourselves why Narooma is so special—with its expansive eucalypt forests, undeveloped beaches and great climate. We have time to enjoy those waters with a gentle cruise around the inlet aboard the Wagonga Princess. Disembarking, we swap with the other half of our group to take a look around the Lighthouse Museum. In the museum is the original light mechanism of the Montague Island lighthouse, which sits just offshore. Our afternoon drive is to the pretty village of Bermagui, known as a fisherman's paradise. The continental shelf is at its closest point to the mainland here and where warm southern currents flow, big game fish are in tow! At the wharf we can see the morning boats returning with their catch. On our way back out of town we stop at the Montreal Goldfields. In 1880 the Canadian Henry Williams discovered alluvial gold in shingle on the beach seven kilometres north of Bermagui. The Montreal Gold Rush was on! Peer down the vertical mineshafts and see how time has brought back to life a forest of tree ferns, eucalypts and orchids; inhabited by sugar gliders, possums, lizards and diverse bird life. Relaxation and dinner awaits us on our return to the hotel.

Day 3: (BLD) BODALLA AND CENTRAL TILBA: Thursday 07 February 2019

With the coast on our right hand side, we drive to the small township of Bodalla, an area famous for dairy products since the 1860s. The Bodalla Dairy Shed gives us a viewing of the milk pasteurisation process and milk bottling. It's time for some cheese tasting including a stroll to the historical church next door. Now with the coast on our left, we tour to the National Trust towns of Tilba Tilba and Central Tilba. We stop at the Foxglove Spires Open Garden for lunch and a wander through the rose covered arbours and the secluded flower garden. There is also a woodland that creates a shady haven to rest. Later we have time to visit the craft shops of these lovely towns before heading back to Narooma.

Day 4: (B) NAROOMA TO HOME: Friday 08 February 2019

Our unhurried day's journey home includes coastal sightseeing along the string of villages from Malua Bay to Batehaven. Arriving into Batemans Bay we visit the Oyster Shed, located on the banks of the Clyde River. The shed is a 'farm gate' for fresh oysters but we'll also learn some of the secrets about oyster farming and sample a few of these local delicacies. We stop for a look around Batemans Bay and have time to purchase some lunch. We make our way back to Canberra this afternoon feeling relaxed after our seaside visit to Narooma.
