DAY 3: (BLD) FREMANTLE DISCOVERY: WEDNESDAY 12 OCTOBER 2022

The township of Fremantle is full of well-preserved heritage including the convict built colonial era buildings, the old jetty and the prison. Our first visit is at the Western Australian Maritime Museum which is perched on the shoreline of the Indian Ocean. The Museum is symbolic of Fremantle's past, present and future as a coastal city and port. From leisure boats and handcrafted sailing boats to commercial pearl luggers, the Museum inspires visitors to discover WA's affinity with the ocean. Next, we transfer to the Old Fremantle Prison for a 'Behind Bars' tour giving us a true insight into life as a prisoner. We enjoy lunch at Cicerello's, a Western Australian icon, who have spent over 100 years fortifying the best fish and chips. This afternoon we enjoy free time. The streets buzz with songs of buskers, the footpaths are filled with collections of art and trendy cafes and bars are full to the brim.

of years to form its wave like character. We head through the stunning Stirling Ranges National Park for great views of Bluff Knoll, the highest and one of the most spectacular peaks in south Western Australia. Keep your eyes peeled for wildflowers that usually come out at this time of year. We enjoy our picnic lunches while soaking up the views. DAY 8: (BD) ALBANY: MONDAY 17 OCTOBER 2022

The town of Albany marks the spot where the first European settlers set foot in Western Australia. Much of their legacy remains today with colonial buildings standing proudly as museums, galleries and cafes. Albany is also known as the birthplace of the Anzac story and is home to the National Anzac Centre. The state-of-the-art museum uses multimedia, interactive exhibits and historical artefacts to create a deeply personal connection with the past and pay tribute to those who served in WWI. Next, we travel to nearby Discovery Bay. Built in the remains of the former whaling station, it's the only museum of its kind in the world. We spend the afternoon at Torndirrup National Park. There are a number of spectacular natural attractions here including The Gap and Blow Hole – each providing great views of the coast. At Salmon Holes, we take an easy 10-minute walk to the lookout where we have a chance to see one of the most picturesque beaches in the region.

We head to the pretty timber town of Pemberton. We then take a scenic ride on the Pemberton Tram where we'll pass the Saw Mill and descend deep into the Karri Forest. Towering trees roll across the valley streaming onto their smooth trunks. It's a sensory experience as we witness wildflowers crawling across the forest floor, the sound of native birds and the smell of fresh eucalypt. The tram meanders through the forest, crossing bridges, stopping at Cascades and the Warren River Bridge. Our tram returns to Pemberton and we continue our journey, stopping at the famous Gloucester Tree, which stands at a staggering 61 metres and is reputed to be the tallest tree mounted fire lookout in the world. We finish in Busselton, a town with a 1.8-kilometre jetty. Our accommodation is situated ideally with the beach at the back door so why not feel the sand between the toes and enjoy a stroll prior to dinner.
